Red hair highlights pink tones in skin, which can make the face look ruddy. To counteract this, use a tinted moisturizer that has a golden cast.

When in doubt, choose green clothing. Since it's opposite red on the color wheel, green makes red hair appear even more vibrant.

Love the look?

Find the dress for \$20 at Zara (visit Zara.com for store locations). The cardigan? It's \$38 at Nordstrom stores or Nordstrom.com.

Not the shade for you? Flip for the color that will bring you bliss!
